Nottingham City Council	Nottingham Works	ESF [inc YEI]	1- Inclusive Labour Markets	Nottingham Works is a comprehensive programme of six integrated activities for disengaged 15-29 year-olds not in employment, education or training (NEET). It will be delivered by a strong local partnership. Nottingham Works will facilitate progression into work and provide extra help for those most in need. It will deliver community-based advice, mentoring and training and provide financial assistance. It will also deliver an enhanced programme of pre-traineeships, traineeships and apprenticeships, building-on existing provision. The programme will reduce unemployment and social exclusion and improve the matching of young people's choices and abilities to the needs of the labour market	01-Jan-16	30-Nov-23	15,164,872	22,747,313	50%	NG2 3NG	D2N2	103 Sustainable integration into the labour market of young people, in particular those not in employment, education or training, including young people at risk of social exclusion and young people from marginalised communities, including through the implementation of the Youth Guarantee
Futures Advice, Skills and Employment Big Lottery Fund (CFO)	Unlocking potential Big Lottery Fund BBO – Derby, Derbyshire, Nottingham and Nottinghamshire	ESF	1- Inclusive Labour Markets	Unlocking Potential will support 1448 young people who are at risk of becoming NEET (not in education, employment or training). The project is part of the 'Building Better Opportunities' (BBO) programme, which is made up of all ESF activities in England match-funded and delivered through the Big Lottery Fund Opt In Organisation. BBO will improve people's life chances by building better opportunities for education, training and employment. Projects will work with people furthest from the labour market, who face significant disadvantages and barriers to social inclusion. Within the D2N2 LEP, this project is made up of three BBO activities, one focusing on financial inclusion, one on multiple and complex needs and one targeting worklessness for women returners, older people and skills providers resulting in improved labour market relevance within the D2N2 education and skills funding agency will deliver Priority 1 activity designed to help unemployed people, inactive people and young NEETs to improve their employability and move into work, by improving their skills. The activity will be focused on, but not limited to, to the D2N2 LEP area A range of activity will be delivered. These activities will include activities to support people not in work to take up opportunities leading to employment and economic activity including Apprenticeships, graduate positions, jobs with training and traineeships. The project will deliver solutions that respond to local employer and sector skills needs to support unemployed individuals to enhance their skills in order to become successful in the labour market	01-Jul-19	30-Jun-22	984,572	1,969,150	50%	NG1 6DQ	D2N2	103 Sustainable integration into the labour market of young people, in particular those not in employment, education or training, including young people at risk of social exclusion and young people from marginalised communities, including through the implementation of the Youth Guarantee
Department for Work and Pensions (DWP CFO)	DWP ESF 2014 - 2020 Provision D2N2	ESF	1- Inclusive Labour Markets	This project will be employment and employability provision that will help those that furthest from the labour market in to sustained work in the key employment sectors in the Leicester and Leicestershire LEP area local labour market. Provision beneficiaries will receive intensive support tailored to individual need. Barriers to work will be identified and addressed through proactive interventions and activities. Provision participants attaining sustained job outcomes will be the ultimate objective of the project. Where required, in work support will be provided for those who do find employment to help those individuals achieve sustained employment. The Provision will be for those aged 25 and over.	01-Jan-14	31-Dec-20	5,047,027	10,094,054	50%	SA11 1LY	D2N2	102 Access to employment for job-seekers and inactive people, including the long-term unemployed and people far from the labour market, also through local employment initiatives and support for labour mobility
Nottingham Trent University	Priority Skills for D2N2 SMEs	ESF	2 - Skills for Growth	The project will upskill the D2N2 SME workforce by enhancing equal access to lifelong learning through the development and delivery of basic, intermediate, technical and higher skills. We will work with employees in the D2N2 area to develop learning pathways and identify opportunities to upskill - encouraging employment progression. The project will provide a joined-up skills offer across Further and Higher Education to support progression opportunities for learners from FE to HE through a collaborative approach to support. We will utilise the added value offered through ESIF by creating courses that would not be fundable through core skills budgets. ESF will not be used to fund skills delivery that is already funded through Government grants or loans for skills activities (including SFA and HEFCE).	01-Jul-18	31-Dec-20	1,097,821	2,201,163	50%	NG1 4FQ	D2N2	117 Enhancing equal access to lifelong learning for all age groups in formal, non-formal and informal settings, upgrading the knowledge, skills and competences of the workforce, and promoting flexible learning pathways including through career guidance and validation of acquired competences

Nottingham City Council	Nottingham Works Plus	ESF [inc YEI]	1- Inclusive Labour Markets	Nottingham Works Plus is a partnership based programme led by Nottingham City Council working with local specialist community providers to provide innovative and targeted models of delivery to re-engage young people in employment and skills programmes. It will offer extra help for those marginalised 15-29 year olds in the city who are most in need of support to facilitate their progression into education, training and employment. It will deliver innovative programmes of bespoke advice and mentoring and customised training and support that will build-on and not duplicate existing provision	01-Jun-17	31-Aug-18	516,000.00	774,000.00	66%	NG2 3NG	D2N2	103 Sustainable integration into the labour market of young people, in particular those not in employment, education or training, including young people at risk of social exclusion and young people from marginalised communities, including through the implementation of the Youth Guarantee
Sustrans	Nottingham Gets to Work	ESF	1- Inclusive Labour Markets	As lead partner, Sustrans will be responsible for overall project management, working in close partnership with Sustainable Travel Collective (STC) to deliver a flexible and high quality service for participants. Five experienced staff will support young people to access affordable travel options to employment, education and training via public transport, cycling and walking. They will provide individual, one-to-one advice sessions, combining motivational interviewing and coaching techniques to identify transport barriers faced by each participant, and the level of support they need. Sometimes it will be possible to overcome these barriers on the spot, through journey planning, targeted travel information and support with public transport costs. In other cases, they will organise intensive support and training to overcome more complex barriers.	01-Oct-15	31-Jul-18	745,455	1,118,183	67%	BS1 5DD	D2N2	103 Sustainable integration into the labour market of young people, in particular those not in employment, education or training, including young people at risk of social exclusion and young people from marginalised communities, including through the implementation of the Youth Guarantee
